

Because there is too large a lapse of time between Madison Art Guild bimonthly newsletters, the MAG Board has decided to send out a message to all members during the months that the newsletter is not published. We hope this will keep members more informed and aware of MAG activities.

TOUCHING BASE

Fall Dinner – November 9

The Annual Fall Dinner will be held at The Continental, 2784 Fish Hatchery Road (near Cheryl Parkway), on Wednesday, November 9, at 6:00 p.m. New members will be introduced, and they will show examples of their art work. Please make reservations by e-mailing Kerri Shannon, kshanjewels@aol.com or call 513-0220.

VOLUNTEERS NEEDED:

Planning Begins for MAG's 100th Anniversary Celebration

Madison Art Guild will mark its 100th anniversary in 2014. Especially long-term members are encouraged to pitch in with ideas for planning a city-wide celebration. Please contact Pam Andros (238-6578 or pandros@att.net) or Cynthia Koshalek (845-7605 or clkart@charter.net) to get an early start on planning for this event.

One-Time Committee Work

Help is needed for organizing educational programs and museum trips for 2012. The Board needs supplemental help from MAG members to organize enrichment programs and art-related trips. Please contact any Board member for your suggestions (Pam Andros, Susan Baez, Beatrice Williams, Cynthia Koshalek or Norma Hove – contact information is available in your directory).

MINUTES – MAG BOARD MEETING

October 3, 2011

- 1) September minutes approved
- 2) Susan Baez will check on nine members who have not paid fees. This information is needed for updating the newsletter mailing list and for new member jurying so that we do not surpass the cap of 140 members.
- 3) New Member Jurying - Cindy has received only three RSVPs but expects more people to turn up on Saturday, October 8.
- 4) Fall Dinner – needs to be announced in the newsletter again. The response has been minimal.
- 5) Cindy will call various suggested MAG members to be included on the nomination slate for the annual meeting at the Fall Dinner.
- 6) Treasurer’s Report - \$11,634.04
- 7) To maintain our 501-c-3 status, we must organize educational programs or trips and at least one community project. Cindy pointed out that we need to start the groundwork planning for the 100th anniversary celebration of MAG.
- 8) Next meeting: November 7, 7:00 at Sequoya Library.

Art on Exhibit

- The MAG exhibit is on display at the Alicia Ashman Library until Saturday, November 12. A huge thank you is due to Marcia Nelson for coordinating this show.
- MAG member Yongjing Li and her two daughters, Yan Xu and Emily Xu, are showing their works of art at University Hospital & Clinics (Surgical Waiting Room/Skylight Lounge) through November 3. Oriental/acrylic paintings, paper cut collages, and photographs are featured in their show, entitled “Mother and Daughters Art Show.”
