**2016 Summer Salon Committee**

Seven Art Guild members will join President, David Carpenter, in making up the 2016 Summer Salon Committee. Eunice Eide and Barbara Vater will take responsibility for art drop off and pickup. Laura Reed will again be in charge of selecting and obtaining award ribbons for the show’s winning artists. Sherry Klinkner and Aileen Musa will organize and put on the reception based on their previous outstanding experience. Theresa Drinka, David Williams and David Carpenter will assume other responsibilities as needed.

A meeting was held on March 3<sup>rd</sup> at Sequoya Library. Discussion items included choosing a judge and picking a date for the reception, awards to be given and who will act as the Master of Ceremonies.

## Help Needed for the Salon

The volunteers serving on the Salon Committee will take on most of the tasks associated with putting on MAG's most prestigious annual event. However, there are a couple tasks that will require special skills or considerable dedication. We are looking for someone who will organize and print the award certificates and the Salon program. Our previous volunteer in this capacity is available to guide the person in charge. We also hope to find someone who can produce mailing labels for the entire membership (about 135). If you are willing and available to help with either of these tasks, please contact David Carpenter at [dcarpenter3@charter.net](mailto:dcarpenter3@charter.net) or by calling (608) 442-6958. Thank you.

## Art Night!

Our next art night is March 9th, 6:00 at the home of Karen Watson-Newlin.

Bring art to discuss, finger food or beverage to share or just bring yourself for an inspiring evening with other artists.

Karen's house is at 7699 Almor Drive Drive, Verona, WI 53593. Phone 608-827-6180.

While the postal address is Verona, we are in the Town of Middleton, just 3 miles west of the Junction Road & Mineral Point Road Intersection. Just go west on Mineral Point Road to Sauk Point Estates/ Welcome Drive and turn right. Welcome Drive is directly across from the Tumbledown Golf Course entrance and just past the Kwik Trip. After the right on Welcome Drive, turn at the first left onto Sonnet Drive and then the next right onto Almor Drive. We are the first home on the right.

## Call For Artists

Hello Artists and Fine Craft Makers,

Seebeck Gallery has been established in the Kenosha area for over 23 years. Two years ago a second location was added in Racine with the intent to showcase original art in Southeastern Wisconsin.

One of the most exciting events that fill this lakeside Main Street are First Fridays that occur from April thru October. Seebeck's features an artist of the month with an open house that evening.

We are currently seeking artists to showcase in our gallery. Painting, drawing, prints, fiber, sculpture, art glass, pottery, jewelry, mixed media, and photography are all acceptable mediums.

Please send only digital submissions of your work (6-12 images) to: [Sales@seebeckgallery.com](mailto:Sales@seebeckgallery.com). Images must be in jpg. Standard format and labeled: Last Name\_First Name\_ Medium\_ Retail Price\_ Title Of Work.jpg

Please send an artist's bio, artist statement and a list of galleries or websites where you are currently being shown. Please allow up to 2 weeks for a response.

We are also looking for artists that wish to hold small classes featuring their art technique here at the gallery. Please inquire about space and material limitations.

Thanks and we are excited to partner with local talent.

*Sincerely, The Staff at Seebeck Gallery*

## Commercial Property Exhibition Opportunities

Heather Ewing, a past MAG member and now working in commercial real estate, is seeking artist to show their work in a variety of commercial spaces.

She would be honored to help fellow artists/business owners find the perfect space to lease, whether it's as their painting studio or as their own gallery to exhibit in.
